

CENTER CONSOLE STORAGE ORGANIZER

(2011-2018 WRANGLER JK)

INSTALLATION INSTRUCTIONS

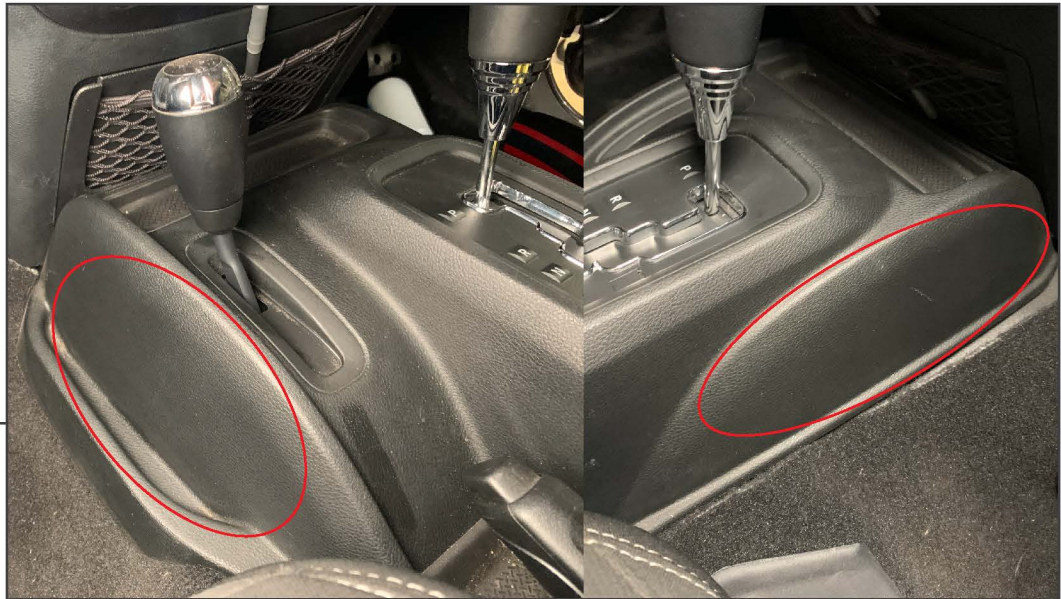

CONTENTS

- (1) LH Tray
- (1) RH Tray
- (2) Hook and Loop Strips

TOOLS REQUIRED

Isopropyl Alcohol

SKU # J134449

STEP 1

Prepare for the installation by thoroughly cleaning the center console. A clean surface is crucial for the installation of the organizer. Wipe the center console down with isopropyl alcohol to remove any and all oil/grease contaminants.

STEP 2

Test fit the trays to determine where on the console they fit best before removing the double sided tape backing.

STEP 3

Install the hook and loop onto the LH tray. Peel back the double sided tape backing on the RH tray.

STEP 4

Install the organizer trays and apply firm even pressure to ensure proper adhesion.

Installation is now complete.
