---

## INSTALLATION INSTRUCTIONS

### CONTENTS

---

- (1) Set of Top Hinge Covers
- (1) Set of Lower Hinge Covers

### TOOLS REQUIRED

---

Exterior Detailer (Optional)

SKU # J141583

**STEP 1**

Using the top body mounted hinge cover, gently stretch the cover over the hinge until the cover sits evenly on the vehicle.

Note: The top and bottom hinge covers are different. The cover will fit flush when correct.

**STEP 2**

Using the top tailgate hinge, slide the hinge cover closest to the spare tire under the hinge, then pivot around towards the edge of the tailgate. Firmly press the hinge cover into the tailgate hinge to secure the cover to the vehicle.

Note: The top and bottom hinge covers are different. The cover will fit flush when correct.

---

**STEP 3**

Repeat steps 1-2 to install the lower hinge covers.

Installation is now complete.
