## INSTALLATION INSTRUCTIONS

### CONTENTS

---

(1) Storage Tray

### TOOLS REQUIRED

---

Phillips Screwdriver  
Razor Blade

SKU # J150590

## STEP 1

Remove the rubber mat from the dashboard. Remove (2) Phillips screws from the dashboard.

## STEP 2

Align the storage tray to the dashboard. Use a razor blade to poke holes in the carpet for screws. Secure the storage tray to the vehicle by re-using the original (2) Phillips screws.

Installation is now complete.
