INSTALLATION INSTRUCTIONS

CONTENTS

(1) 4x4 Emblem

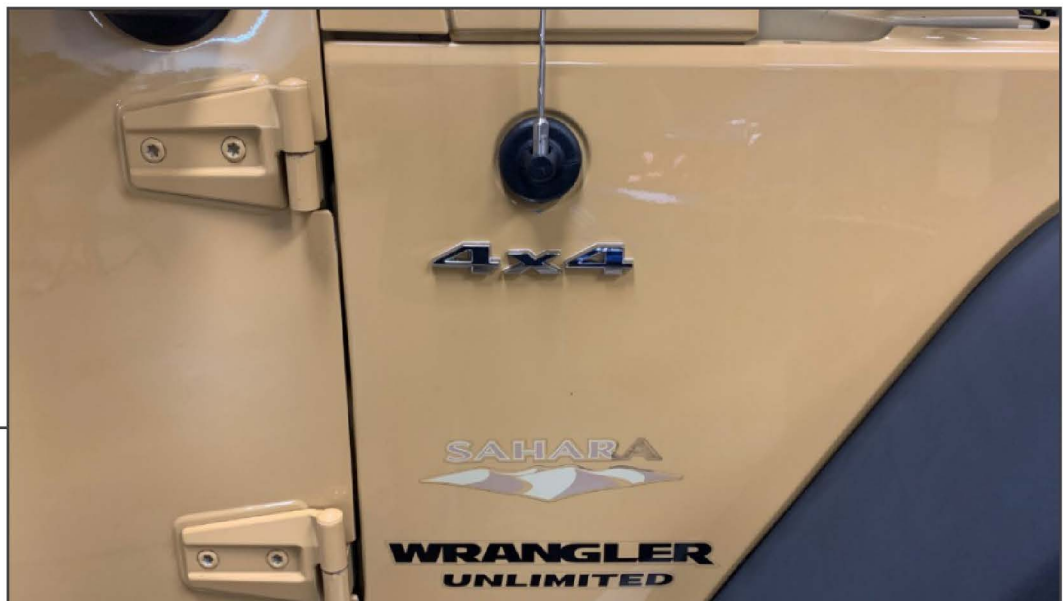

TOOLS REQUIRED

Isopropyl Alcohol
Microfiber Cloth

SKU # J150593

STEP 1

Clean the vehicle body panel using isopropyl alcohol and a microfiber cloth. Once dry, peel the double sided tape backing and align the emblem to the vehicle.

STEP 2

Firmly press the emblem to the vehicle. Once the emblem is adhered, remove the outside remaining tape around the emblem.

Installation is now complete.
