

CENTER CONSOLE LOCK VAULT

(2011-2018 WRANGLER JK)

INSTALLATION INSTRUCTIONS

CONTENTS

- (1) Center Console Lock Vault
- (2) Keys
- (4) Phillips Screws

TOOLS REQUIRED

- T-20 Torx Screwdriver
- Phillips Screwdriver

STEP 1

Remove (4) T-20 Torx screws from the center console.

STEP 2

Place the lock vault into the center console with the lid open. Secure the lock vault using the (4) provided Phillips head screws. Tighten the hardware evenly until secure.

STEP 3

Close the lock vault lid, and secure into place using the provided keys.

Installation is now complete.
