

HOOD PROTECTOR

(2018+ WRANGLER JL)
(2020+ GLADIATOR JT)

INSTALLATION INSTRUCTIONS

CONTENTS

- (1) Hood Protector
- (1) Template
- (7) Threaded Adhesive Mounts
- (7) M8 Allen Bolts

TOOLS REQUIRED

- Isopropyl Alcohol
- Microfiber Cloth
- 3mm Allen Key

**STEP 1**

Clean the vehicle hood with isopropyl alcohol and a microfiber cloth, and allow to dry. Lay the template onto the vehicle hood, and adhere the threaded adhesive mounts to the vehicle. Ensure the mounts are facing the correct direction.

**STEP 2**

Place the hood protector onto the vehicle hood, and secure into place using the (7) Allen head bolts. Tighten until secure.

Installation is now complete.
