

## JEEP MANUAL SHIFT KNOB (JK/TJ) INSTALLATION INSTRUCTIONS:

This product is designed to fit 2007-09 Jeep JK with 6-speed Manual Transmission and 2005-06 Jeep TJ\* with 6-speed Manual Transmission

1. GRAB ORIGINAL SHIFT KNOB AND PULL IT OFF THE STOCK SHIFTER. IT WILL COME OFF USING EXTRA FORCE.
2. REMOVE TIRE TREAD FROM DRAKE SHIFT KNOB.
3. NOTICE SET SCREW ON SIDE OF DRAKE SHIFT KNOB. SLIDE SHIFTER ON, LINING SET SCREW UP WITH FLAT FACE ON TOP OF SHIFTER.
4. TIGHTEN SET SCREW AND RE-INSTALL TIRE TREAD.

\* Installing the Jeep Manual Shift Knob (JP-180012-BL) on 05-06 Jeep TJ models, may result in damage to the threads that will prevent the original shift knob from being reused.
