

# TAILGATE PLUG KIT

(2018-2024+ WRANGLER JL)

---

## INSTALLATION INSTRUCTIONS

### CONTENTS

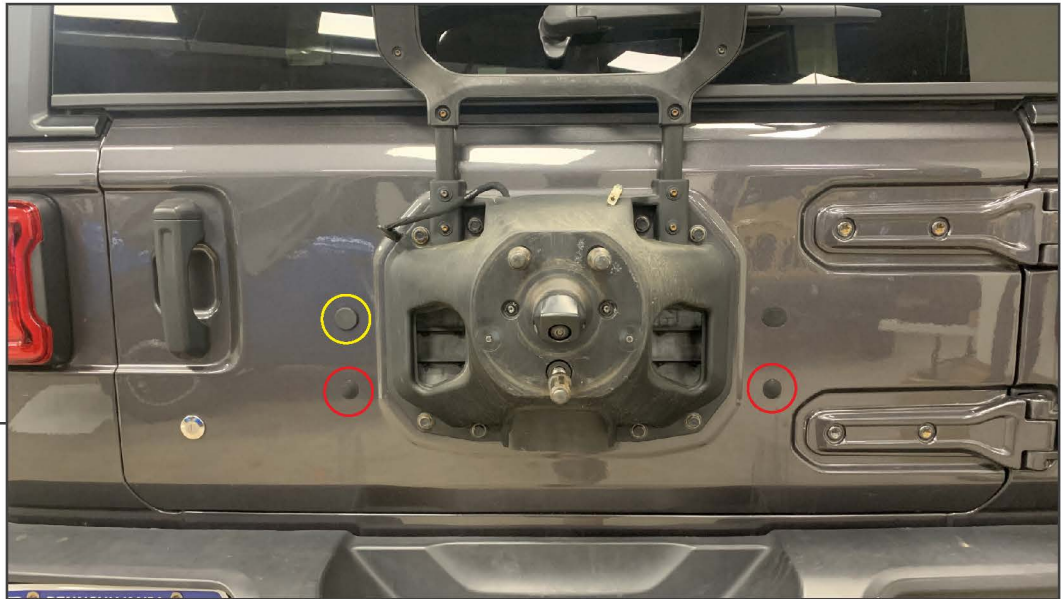

---

(2) Small Grommets  
(1) Large Grommet

### TOOLS REQUIRED

---

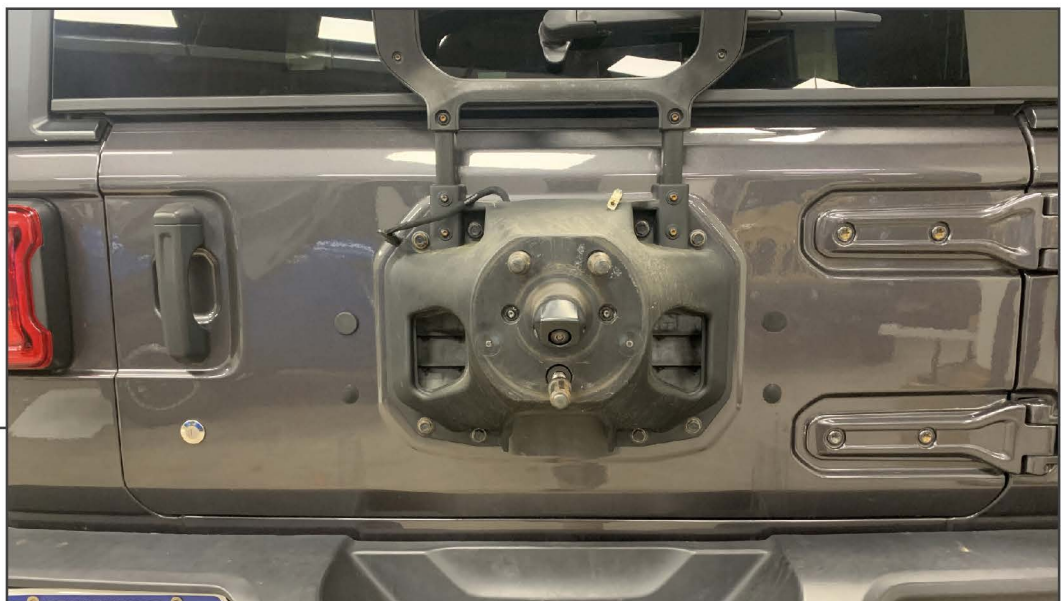

Exterior Detailer  
Microfiber Cloth

## STEP 1

With the spare tire carrier and rubber tire bumpers removed, locate the holes in the tailgate. Using (2) small grommets and (1) large grommet, fill the tailgate holes.

Note: It is recommended to clean the tailgate with exterior detailer and a microfiber cloth prior to installation to ensure a weather-tight seal.

## STEP 2

Installation is now complete.
