

TAILGATE TABLE

(2005-2015 TACOMA)

INSTALLATION INSTRUCTIONS

CONTENTS

- (1) Tailgate Table
- (2) Cables
- (2) Thumb Screws
- (4) Phillips Screws
- (4) Flat Washers

TOOLS REQUIRED

- T-30 Torx Screwdriver
- Phillips Screwdriver

STEP 1

Remove (4) T-30 Torx screws from the tailgate.

STEP 2

Place the tailgate table onto the vehicle tailgate. Secure the tailgate table to the tailgate using the provided (4) Phillips screws and (4) flat washers. Open and close the tailgate table to ensure the side brackets are tightened at the correct alignment for operation.

**STEP 3**

Secure each cable to the tailgate striker using the attached carabiner. Hook the opposite end of the cable to the tailgate table on each side.

**STEP 4**

When not in use, fold tailgate table upwards and securing using (2) thumb screws.

Installation is now complete.
